

Locations

There are two Lancashire based clinics, one in Bolton and one in Westhoughton.

The Bolton clinic benefits from a town centre location. The entrance door is intercom operated (press Osteopath button) and is next door to Deansgate health food shop. There is a pay and display car park adjacent to the building. Please note there is stairs access to this clinics treatment rooms.

The Westhoughton clinic is easily accessible from the M61 motorway and other road networks. This clinic has private on site parking (free) ground floor treatment rooms, disabled facilities and access. Also based at this clinic is Dr Andrew Wright who is a specialist in the field of ME / CFS.
